October 2023

Best Researcher Award 8:00AM

6841: In vivo susceptibility to energy failure parkinsonism and LRRK2 kinase activity

Dr. Salvatore Novello, EPFL, Switzerland

Excellence Award (Any Scientific field) 9:00AM

6794: New approaches for brain arteriovenous malformations-related epilepsy

Dr. Mihaela Bustuchina Vlaicu, Pitié Salpêtrière Hospital, Paris, France , INSERM, France

About Venue

Paris, France

Paris, the capital of France, is an enchanting city that effortlessly weaves together centuries of history, artistic brilliance, and cosmopolitan vibrancy. Nestled along the graceful curves of the River Seine, Paris is a symphony of iconic landmarks, from the towering elegance of the Eiffel Tower to the intricate beauty of Notre-Dame Cathedral. Its cobblestone streets are a canvas where art, literature, and fashion intertwine, and its charming neighborhoods reveal a tapestry of stories. The Louvre Museum, a treasure trove of human creativity, houses masterpieces that have inspired generations. Culinary delights abound in the city's bistros and patisseries, inviting indulgence in exquisite flavors. Paris, with its elegant boulevards, intimate cafés, and intimate parks, is a living ode to romance and culture, a place where the old and new coalesce in harmony, offering a timeless experience to every soul fortunate enough to explore its enchanting streets.
